Multi-Purpose Holding Cabinet

Dual access

MPC 222 2-tier

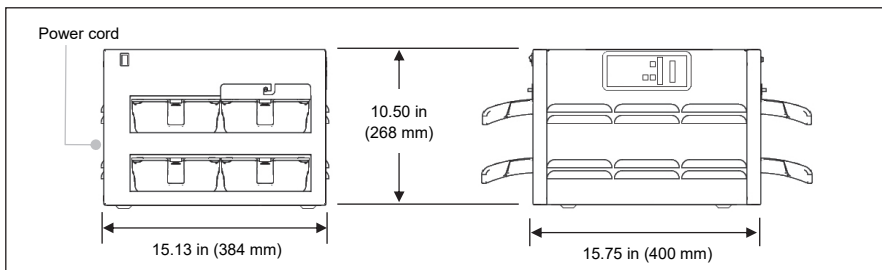

MPC 222 dual access modular multi-purpose holding cabinet

Henny Penny multi-purpose holding cabinets are ideal for keeping small quantities of hot menu items safe, appetizing and ready for immediate serving or packing.

The MPC 222 is a compact, modular unit that can be placed on countertops, side-by-side or stacked. Flexibility improves work flow by making popular items instantly accessible wherever they are needed.

Each unit features 4 drawer pans on 2 tiers with independent temperature controls. Drawer pans can be inserted at either end for added convenience

Drawer pans with easy-grip handles on each end offer convenient access from both sides of unit. One-piece molded construction stands up to the toughest commercial kitchen treatment.
