

# Model C708-SHAKE

HEAT TREATMENT SHAKE FREEZER

**SERVE GREAT  
SHAKES WITHOUT  
ALL THE FUSS!**

Everything you love about the C708 single soft serve freezer—small footprint, high capacity, and labor-saving heat treatment—now available in a shake-only version. With consistent direct draw shakes from the C708 shake freezer, you can do away with the labor-intensive, time-consuming method of blending hand dipped ice cream.

## FEATURES

- Easily customize or change signature creations for an effective LTO program
- Consistent quality with thick and creamy textures
- Single flavor heat treatment shake freezer available in variety of styles and options
- Available in countertop and cart configurations

Perfect choice to **increase profits without sacrificing valuable space**

Ideal for **high margin signature shakes**

Opt to add in fruits, candies or flavored syrups to multiply your offerings, **meet consumer trends and expand profit potential**

# MODEL C708-SHAKE

## Heat treatment system\*

- Provides a daily heating and cooling cycle to safely maintain dairy products up to 28 days before a complete disassembly and cleaning is required
