

OPERATING INSTRUCTIONS

Ketch-All Model No. 61

PORTION-ALL®

Prince Castle's Portion-All® dispensers help any foodservice operation save time and money. Designed to dispense ketchup, the model 58 is great for virtually any pourable sauce. Whether you purchase ketchup in bottles or #10 cans, the Ketch-All® dispenser makes sure you get every drop you paid for. The clog-free valve makes filling glass or plastic bottles easy.

U.S. Patent No. 3,643,704

LIMITED WARRANTY

This product is warranted to be free from defects in material and/or workmanship for a period of one year from date of original installation, not to exceed 18 months from date of shipment from our factory.

Any component which proves to be faulty in material and/or workmanship will be replaced or repaired (at the option of Prince Castle, Inc.) without cost to the customer for parts or labor.

This warranty is subject to the following exceptions/conditions:

- Use of any non-genuine Prince Castle parts voids this warranty. All genuine Prince Castle replacement spare parts are warranted for ninety (90) days from date of purchase.
- Damage caused by carelessness, neglect, and/or abuse (e.g., dropping, tampering or altering parts), equipment damaged in shipment, by fire, flood or an act of God is not covered under this warranty.
- This unit is portable, charges for on location service (i.e. trip charges, mileage) are not included in the provisions of the warranty.

INSTALLATION

1. After you have removed the dispenser from the carton, inspect the unit for signs of damage. If there is damage to the unit:
 - Notify carrier within 24 hours after delivery.
 - Save carton and packing materials for inspection purposes.
 - Contact the Prince Castle Customer Sales Department at 1-800-722-7853 to arrange for a replacement to be sent.
2. Verify that all parts have been received.
3. Cap the unslotted leg ends (3) with rubber feet provided.
4. Insert the slotted end of each of the three legs (B) into the leg holders located at the base of the tank (A). See figure 1.
5. Place bottle rack (C) on the top of the tank (A) so the slots and in the rim fit together. Turn the bottle rack until it locks into place. See figure 1.

figure 1

3. If additional height is required to accommodate container, lengthen legs by adjusting rubber feet.

figure 2

figure 3

IMPORTANT: Do not allow partially empty bottles to accumulate. Instead, place these bottles in the Ketch-All® dispenser to drain as soon as each nears the empty level. This utilizes the Ketch-All® storage capacity of more than 18 bottles, assuring a ready supply of ketchup when needed.

CLEANING

With legs removed, the tank, bottle rack, and cover can be run through the dishwasher for quick and easy cleaning.

REPLACEMENT PARTS

Part Number	Description
57-001	Bottle Rack
57-007	Cover
57-005	Legs (Pkg. of 3)
57-002	Bowl

OPERATION (figures 2 & 3)

1. Place bottles or can to be drained in rack.
2. To fill containers, center them directly below drain spout, push the release valve and fill container. Pull valve back to shut off flow.
